Intern Spotlight

Meet Michael Drougas (Summer 2016)

College: Oberlin College, Class of 2018
Major: History, Politics
Hometown: Roanoke, Virginia
Post-grad Plans: Pursue a dual degree: JD & MPH
Fun Fact: Tennis Player at Oberlin

"While I'd done previous HIV testing and community engagement work, TAI was an amazing opportunity to connect HIV/Hepatitis C advocacy work with public policy—something that I am extremely interested in. During my time as an intern, I had the opportunity to both learn about and work on drug pricing issues specifically pertaining to HIV and Hepatitis drugs."

-Michael Drougas
